

MEYERS AUTO PARTS

Our People Make the Difference!

At Meyers, our team is unequalled in the industry ... innovative and creative in their approach and never reluctant to sail upon "uncharted waters" when it comes to meeting your needs, our valued customer! This is the quality of service we have employed throughout the years, and our customers have come to appreciate the fact they can always count on us to deliver more than just what we simply promised.

At Meyer's you can count on us to do whatever is necessary to develop improved methods of delivering excellent service! Pursuing excellence, which is our ultimate, ongoing goal, means that we must know our customers, understand their needs and expectations, regularly listen to their thoughts, and adjust not only our inventories, but our overall processes and procedures as well, in order to more effectively serve you! This is our promise to you! This is what sets us apart from the "competition".

We are constantly honing and refining our inventories with the highest quality parts in order to better serve your needs. You can count on Meyer's to have the right part when you need it, backed up with a very efficient delivery system! In the event we don't have the part you need, we back up our commitment to serve you with an incredible special order network that we have developed in order to procure those hard to find parts!

In spite of the numerous mountains and obstacles you often face on an ongoing, daily basis, where "giving up" would appear to be your only option, our people have consistently adhered to the belief that "impossible" is not a word ... that it's just an "excuse" reserved for other businesses that choose not to go the "second mile" when it comes to meeting your needs! Yes ... we will always go the distance for you in order to serve your needs!

Our People Do Make the Difference! You can count on us!
